The United Family presents Mission 2540 with $10,000 donation

LUBBOCK, Texas — On Monday, The United Family presented a $10,000 donation to Mission 2540, supporting the organization's mission of making a meaningful impact in the lives of local children and families.

The donation was presented during a community event in Lubbock, where team members of The United Family joined Mission 2540 participants for an afternoon of pumpkin painting and fellowship. In addition to the financial contribution, The United Family provided reusable shopping bags and other goodies to families participating in the event.

"Organizations like Mission 2540 are creating positive change in our communities every day by investing in children and building strong relationships with families," said Chris James, market VP of operations for The United Family. "We are honored to support their work and grateful for the opportunity to spend time with the children and families they serve."

Mission 2540 works to bring hope, encouragement, and resources to children and families through relationship-driven community outreach. The donation from The United Family will help support the organization's ongoing efforts to provide snack bags to children through its after-school programs.

The United Family is proud to partner with local organizations that share its commitment to helping alleviate hunger in the communities it serves while strengthening the relationships that help families succeed.
