Pharmacies across The United Family offer custom plans for travel vaccinations and medications

LUBBOCK, Texas — Pharmacies across The United Family stand ready to administer travel vaccinations and medications for guests with upcoming summer travel plans. Travel Health Specialist Pharmacists are available to meet with guests to create a customized vaccine plan based on travel itinerary, health and other factors.

All travel vaccines available include Typhoid, Yellow Fever, Japanese Encephalitis, Chikungunya, Pertussis, Tick-borne Encephalitis, and Cholera. Our Travel Health Specialist Pharmacists can work with your doctor for medications for malaria prevention and digestive health, and also recommend over-the-counter needs such as sunscreen and bug repellent, which are also available at our pharmacies.

“As summer travel gets underway over the next several weeks, guests should consider doing their due diligence on their destinations and what vaccinations or medications might be recommended ahead of travel,” said Crockett Tidwell, clinical services manager for The United Family. “Our Travel Health Specialist Pharmacists are ready to help guests ahead of their travel so they can focus on what matters, having a great trip.”

Travel Health Specialist Pharmacists with The United Family can be an invaluable resource for this information, without guests having to make a trip to the doctor’s office. Travel Health Consultations are available by appointment, for \$60. Guests will have a one-on-one meeting with a Travel Health Specialist Pharmacists who can review their travel destinations and make recommendations specific to their plans.

In addition, for every immunization administered, guests will receive a coupon for up to \$20 off their next grocery purchase up to \$200 and access to a free digital vaccine record.

Guests can book appointments by visiting the website for their preferred banner: [United Supermarkets](#), [Market Street](#), or [Amigos](#).
