COVID-19 Vaccines Are Available Now at United Family Pharmacies

LUBBOCK, Texas — As respiratory virus season approaches, now is a great time to help protect yourself and your family. Updated COVID-19 vaccines are now available at United Family pharmacies, along with flu, pneumonia, respiratory syncytial virus (RSV) and other recommended immunizations for eligible guests.

"Staying current on recommended vaccinations is one of the easiest and most effective ways people can help protect themselves, their families and their communities," said Tim Purser, director of pharmacy for The United Family. "Our pharmacy teams are trusted healthcare resources, making it convenient for guests to receive flu, COVID-19 and other important immunizations close to home, while providing the guidance and support they need to make informed decisions about their health."

The latest mRNA COVID-19 vaccines align with FDA guidance and are designed to target currently circulating strains. Because protection can decline over time, staying up to date with the latest vaccine can help provide protection.

Protect Your Health and Save

Guests who receive a qualifying vaccination at their local United Family pharmacy will receive a coupon for up to $20 off their next grocery purchase.* For families getting vaccinated together, the savings can add up.

Guests can easily schedule an appointment online, through their local store app or website, or visit their pharmacy without an appointment, as walk-ins are welcome. Many locations offer evening and weekend hours.

More Ways to Manage Your Health

New 4-in-1 at-home test kits for RSV, Flu A, Flu B and COVID-19 are available in store and online, making it easier to monitor your health throughout the season.

Guests who receive a COVID-19 immunization through an Albertsons Cos. pharmacy can also access a digital vaccine record. Simply text RECORD to 1-844-590-0015 to receive a link to your vaccination record.

Schedule your vaccination today or visit one of the company's pharmacy locations, including United Supermarkets, Albertsons Market, Market Street, and Amigos.
